

*JABBERWOCKY IS ONE OF MY
FAVOURITE POEMS.*

MOST OF THE WORDS ARE MADE UP.

Jabberwocky (1871)

by LEWIS CARROLL

*'Twas brillig, and the slithy toves
Did gyre and gimble in the wabe:
All mimsy were the borogoves,
And the mome raths outgrabe.*

*HERE'S WHAT HAPPENS WHEN YOU TRY TO GET
A DICTIONARY DEFINITION FOR ONE OF THEM:*

mimsy:

a word invented by Lewis Carroll ("Jabberwocky"). Anyone's guess what he meant by it.

The Unreasonable Effectiveness of Recurrent Neural Networks

by ANDREJ KARPATHY (May 2015)

"There's something magical about Recurrent Neural Networks (RNNs)"

THIS WAS THE BLOG POST THAT MADE LANGUAGE MODELS COOL. 2015 WAS A DIFFERENT TIME.

BACK THEN, I HAD TO SPEND 30 BUCKS TO BUY SEVERAL HOURS OF AMAZON'S LARGEST GPU INSTANCE TO RUN IT.

THIS IS THE KIND OF OUTPUT IT GAVE ME.

BARELY BETTER THAN GIBBERISH, IT HASN'T EVEN FIGURED OUT GRAMMAR, MUCH LESS MEANING.

IT HAS SOME RUDIMENTARY SPELLING ABILITY, BUT IT MAKES UP ALL THESE NONSENSE WORDS.

It was terrible cloves. I shunned to thried himself and nove him into its on. He was rage to conclone unerveyingly poorfes with litthe asmompts out.

Once I'd role. Huppiet this archin, and meteries by materic zotograph-heaty chamber, a vacant. I went to those wavery.

He namescator had true great book's all's Mergin' . . . But the scene of the distenches. Another heavy strange clear the ears and only ago, were the world.

Was last have quiet.

IN 2015, IT WAS VERY COOL THAT YOU COULD GET BASIC SPELLING

AND SOME SORT OF SENTENCE STRUCTURE OUT OF

Conclone (noun)

Definition: A conclone refers to an individual or entity that closely resembles or imitates another person, organization, or object in appearance, behavior, or characteristics. This imitation can be intentional or unintentional, and it often involves an attempt to replicate the original entity's qualities, traits, or style.

Example Usage:

1. *The young artist was often called a conclone of the famous painter, as her artwork bore a striking resemblance in technique and subject matter.*
2. *In the world of fashion, many designers strive to be a conclone of the industry's leading trendsetters, emulating their designs and aesthetics.*
3. *The startup's business model was a conclone of a successful company from Silicon Valley, hoping to replicate their achievements in a different market.*
